Custom Domains

The Nuxt full-stack companion.

“NuxtHub allows you to deploy your ideas without upfront costs or lock-in concerns and with blazing-fast performance on Cloudflare's edge network. It's hosting that gets out of your way, so you can focus on building great applications.”

Sébastien Chopin
Creator of Nuxt & NuxtHub

```
npx nuxt hub init new-app
```

```
npx nuxt dev --remote
```

```
npx nuxt hub deploy
```
